2	North Sydney Boys	17
3	North Sydney Girls	10
4	Sydney Boys	34
5	Sydney Girls	40
6	Fort Street/ Sydney Technical	34
7	St George Girls	30
8	Caringbah High	55
9	Tempe	14
10	Other	25
Total offers (Incl. reserves)		260

Equity Placement Model

The Equity Placement Model helps to make access to opportunity classes and selective high schools fairer for certain under-represented groups. The Equity Placement Model works by first offering **75%** of places to students according to their performance in the placement test. The next **20%** of places are made available to students in the equity groups who have not already been offered a place. Up to **5%** of places are available to students who were unable to complete the placement test for a valid reason approved by the selection committee.

What this means

Despite the decrease in placement positions available, an incredible amount of STC students were still able to receive offers from their amazing performance in the Selective Test!
